Recycling through Escrip.com

Daybreak PTA recycles inkjet and toner cartridges, cell phones, IPODS, and laptop computers through escrip. These items can be deposited in bins located in each office. This is a great way to raise money for the schools without the need to sell/buy anything! Escrip will donate a percentage of your purchases at Safeway and several other area stores/restaurants. Sign-up is easy. Check it out at escrip.com. Our group name is Daybreak PTA.
